# 3d view 1

Robinia is Europe's most durable wood. As it is hardwood the resistance is compared to Teak and Iroko. Robinia is naturally durable up to 20 years and more (class 1: very durable according to EN 350-2).

## 3d view 2

This product is organic and hand-made. As Robinia wood has a high content of natural preservatives there is no need to treat the wood with chemicals. Ecoplays' Robinia equipment is designed to offer a wide range of play/workout options and is hand-made by Ecoplays' experts.
